Fellow Red Angus Breeders and Friends:

Well, it's that time of year again! Where did the year go? I want to start by thanking all our past and future customers. Our goal is to help you get your herd where you want it to go! In a time of variable cattle prices, it's good to know that Red Angus genetics are topping the markets. It's because Red Angus are in demand all over the country. The females are outselling their steer mates, what other breed can say that? When it comes to cross breeding, Red Angus genetics compliment all other breeds.

New this year! We have decided to offer a volume discount on bull purchases. If you purchase 5 bulls you will receive a 5% discount on your total bull purchase and if you buy 6 bulls or more you will receive a 10% discount on your total bull purchase. As always we offer free delivery on bull purchases within 500 miles of the ranch. Also, be sure to notice the Top Dollar logo's on the bulls that qualified for this program. This is a way for Sutherland Farms to help you market your calves. More info on page 3.

We are excited to bring you a group of bulls we are very pleased about. The quality runs deep in this set and the overall consistency of the bulls is better than ever. The bulls included in the sale are the top 40% of our bull calf crop from 2017, as we have already shipped 3 loads of steers last fall that averaged over 700 pounds! The quality in these bulls is top notch and the competition is tough to make it into the sale.

We feed and grow the bulls in our own bull development feedlot on hay, silage, oats, corn, and a protein supplement ration. The protein supplement is a blend of natural by-pass proteins that provide essential amino acids for improved feed conversion. This means we get the desired gains using less grain. It also helps produce more muscle and less fat. This ration is designed for a 3lb/day gain. Each bull in the sale has been hand selected based on the following traits: soundness, structure, docility, performance as well as calving ease, growth and maternal. All bulls are sold guaranteed and have passed a breeding soundness exam.

There will also be a fancy, fancy set of home-raised commercial yearling replacement heifers that will follow the bulls in the sale. These heifers are raised right alongside of the heifers that we keep as our own replacements. This does include a pen of stout made Simmental cross heifers with tons of brood cow potential. When selecting for replacement females we are selecting for soundness, structure, docility, femininity as well as calving ease, growth and maternal qualities. The replacement heifers are fed a maintenance ration in the feedlot to condition them for breeding. The average weight on the heifers is about 850 lbs.

Feel free to stop any time before the sale to look at the cattle. Calving has started, but someone will be around whenever it is convenient for you. Please join us on Friday, March 2nd, at the Ranch feedlot. Lunch will be served starting about 11:30 and the sale starts at 1 PM (MST). We hope to see you there!

Bob, Laurie and the Sutherland Farms Crew!

Tripp & Cayden with Grandma & Grandpa

The Crew

Friday, March 2nd, 2018

At the Feedlot, 415 Spooner Creek Lane, Stevensville MT 59870

Phone Bids:

We urge all bidders unable to attend the sale to contact us or the Buyer Representatives for any questions or Bids you may have. Your Bids will be treated with the strictest of confidence. You may also use Superior Livestock to bid, see instructions on page 2.

Sale Terms:

Will be followed as stated by the American Red Angus Association.

Sale Order:

Bulls will sell in catalog order unless otherwise stated.

Retaining Interest:

All bulls sell with full possession. Sutherlin Farms reserves the right to keep 1/2 semen interest on all bulls sold.

Cattle Viewing:

Cattle are housed and fed at the feedlot (location of the sale). We welcome you to stop by anytime to sort through the cattle prior to the sale. The cattle will be penned in lot groups on Thursday afternoon.

Announcements:

Changes or updates to the catalog will be announced from the block and will take precedence over information in the catalog. - 7 -

Delivery:

Free delivery within 500 miles of Stevensville, MT on all registered cattle sold. Sutherlin Farms will help arrange trucking for cattle sold outside this area. Cattle will be delivered in March and early April unless other arrangements are made. We will give a \$50 deduction for all bulls taken home sale day. Please Note: if you are out of state, Health Certificates will not be available sale day. Delivery of commercial females is the responsibility of the buyer. A feed charge of \$2/day will be charged for commercial heifers left over ten days. We would be glad to help assist you in making travel arrangements.

Lodging:

Stevensville Hotel (406) 777-3087
Bitterroot River Inn, Hamilton, MT (877) 274-8274
Days Inn, Lolo MT (406)273-2121

Transportation:

Commercial air service is available for Missoula via Northwest, United and Delta.

Insurance:

We will be offering Bull Mortality & Infertility Insurance. Sutherlin Farms will pay one-half the premium for any bulls insured on sale day. See page 2 for more information.

Herd Health:

All cattle will sell with proper health papers for interstate shipment. A complete breeding soundness exam has been performed. If you have certain questions about our health program please contact us or our Herd Veterinarian: Dr. Dick Richardson, DVM, Blue Mountain Veterinary Clinic, Missoula.

Volume Discount:

New this year! We have decided to offer a volume discount on bull purchases. If you purchase 5 bulls you will receive a 5% discount on your total bull purchase. If you purchase 6 or more bulls you will receive a 10% discount on your total bull purchase. As always we offer free delivery for all bull purchases within 500 miles of the ranch.

**Please bring this catalog
with you on sale day**

Superior Livestock Bidding Information:

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.

Here's How It Works:

Turn in Bids Over the Phone: This is our traditional method of buying livestock and is the suggested process for anyone who does not have excellent, high-speed internet. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form, fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid: This is Superior's newest way to buy cattle! *Please note that high speed internet is required – this is not for dial-up or satellite internet.* Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved by the ranch you will receive an e-mail confirming which sale you are now registered for.

Bidders who are successful in making purchases via internet will be contacted by the ranch after the sale to settle payment and make shipping arrangements.

Novich Insurance Agency

Bull Mortality & Infertility Insurance

Tyler Holland • Cell: (406) 949-1326 • Office: (406) 684-5264 • tylerholland@3rivers.net

One Year Policy Term, from the date of the sale.

Full Mortality with ASD Infertility

Cost: 10.3% of the purchase price of the bull. Sutherlin Farms agrees to pay half the insurance premium.
Example: Cost of the bull is \$4000, Sutherlin Farms pays \$206 & buyer pays \$206 of the premium.

FULL MORTALITY COVERAGE:

100% of the value of the bull in the event of death or humane destruction due to a life-threatening injury.

ACCIDENT, SICKNESS & DISEASE (ASD) INFERTILITY

80% of the value of the bull, less salvage value, in the event of permanent impotency, infertility or being incapable of serving females as a result of an accident, illness, or disease sustained during the policy.

BENEFITS OF THIS POLICY

Annual Term

Insures the bull through the breeding season & the winter.

TOP DOLLAR ANGUS®

Now adding value to both Angus and Red Angus feeder calves

Capture premiums by giving your calves the name recognition they deserve!

Should you consider Top Dollar Angus certification for your calves? Absolutely – YES!

If you've consistently invested in high-performing Angus or Red Angus genetics, we can make your calf crop stand out from the pack, and give you access to the Top Dollar Angus premium calf-buyer network, regardless of how you market your cattle (local auction, video, or direct trade). Our goal is to bring more demand to your doorstep.

The beef cattle business offers both challenges and opportunities, and lower feeder calf prices underscore the need to capture value-added premiums. Every cow-calf producer with high-end genetics and a solid health program wants to sell their cattle above the average market price, which is exactly why Top Dollar Angus was created.

Top Dollar Angus is a genetic certification and marketing company focused exclusively on the best Angus and Red Angus-influenced feeder calves in the industry. Qualified calves must contain at least two generations of Angus or Red Angus genetics with growth and carcass traits ranking in the top 25% of their respective breed.

Red Angus sires that have a GridMaster Index in the top 25% of the breed or higher meet Top Dollar Angus specifications. Look for the Top Dollar Angus designation on qualifying lots in Seedstock Partners' sale catalogs!

This new program is similar to Certified Angus Beef®, except that Top Dollar Angus does its "branding" in the feeder cattle and calf market. It works by certifying calf crops that meet program requirements on the farm or ranch, enabling these cattle to be marketed using the Top Dollar Angus brand name and logo. Top Dollar Angus feeder calves are eligible to receive a \$50 per head premium (sometimes more) over the average market when sold to partner

feedyards. One group of Top Dollar Angus steers sold recently via video auction for \$67 per head above the average market for their weight and location. Another group was forward-sold for a \$52 per head premium. Yet another single load of Montana steer calves beat the market by \$57 per head.

Why are so many profit-minded cattle feeders interested in purchasing Top Dollar Angus calves and yearlings? It's because these cattle perform very well both in the feedyard and on value-based grids. Top Dollar Angus cattle consistently deliver rapid growth and high quality grades. That puts extra dollars in cattle feeders' pockets, which are passed back to cow-calf producers in the form of premium prices.

For more information, contact
General Manager
Kenny Stauffer,

kenny@topdollarangus.com.

RED ANGUS FEEDER CALF CERTIFICATION PROGRAM TAG VOUCHER

Genetic, Age and Source verify your feeder calves free or at minimal cost to increase potential for premiums in the Red Angus Feeder Calf Certification Program (FCCP).

Sutherlin Red Angus Farms will help you with this easy process.

1. Call the Red Angus Association of America at 940-387-3502 to answer a few questions to enroll.
2. Calves sired by Sutherlin Farms bulls are eligible for the FCCP program. The RAAA will invoice the cost of the tags to us at the rate of one bag of 25 tags per bull purchased in this year's sale. If you need additional tags, they can be purchased by the bag for \$0.99/tag, but can only be used in calves that qualify for certification.

3. The FCCP tags are serial numbered at the bottom leaving space on both the front and back for your own numbering system of ID. This is the lowest-cost system in the industry to USDA genetic, age and source verify your cattle.

Red Angus Feeder Calf Certification Program

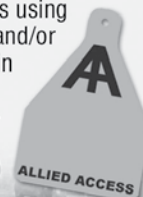

For nearly two decades the FCCP has been delivering results for bull customers using ONLY Red Angus

Genetic, Source & Age

Released in 2012, Allied Access provides an added-value option for Red Angus customers using multiple breeds in a rotation, hybrids and/or composite bulls to capture heterosis in their crossbreeding programs.

An extremely balanced bull that is smooth shouldered. Heifer bull out of a 1st calf heifer.

SimAngus™ Bulls

We have been asked by customers to offer some Simmental influenced genetics. We selected ES SUTH Commander BT202-1 as a herdsire from the Eichacker Family in South Dakota. Commander has an exceptional phenotype. He is a deep bodied, big middle bull that offers tons of width and natural thickness and stamps his calves with this same great look! To compliment this, he has a balanced EPD profile that has solid growth numbers and is in the top 1% for Ribeye EPD. These sons should do an excellent job of injecting a touch more muscle into your calves without sacrificing the maternal & calving ease traits of our Red Angus. Simmental Influenced bulls are lots 33-38 & 76-84, and 103.

HOW THE RED COLOR WORKS

Black red carrier Angus cows produce red calves.

- B = dominant black gene
- b = recessive red gene
- bb = homozygous red
- BB = homozygous black
- Bb = heterozygous black, red carrier

■ **bb**
Red

■ **BB**
Black

□ **Bb**
Black Red Carrier

	b	b
b	bb	bb
b	bb	bb

Red x Red
 100% progeny will be red (even if any red parent had a black parent)

	b	b
B	Bb	Bb
b	bb	bb

Black Red Carrier x Red
 50% progeny will be red and 50% will be black. Reds will be pure red and blacks will all be red carriers.

	b	b
B	Bb	Bb
B	Bb	Bb

Black (non red carrier) x Red
 100% progeny will be black (red carriers).

	B	b
B	BB	Bb
b	Bb	bb

Black Red Carrier x Black Red Carrier
 75% progeny will be black and 25% will be red. Of the blacks, two-thirds (or 50% of total progeny) will be red carriers, and one-third (or 25% of total progeny) will be non red carriers.

Commercial Heifers

Lots 106-270 are the commercial heifers. The commercial heifers offered here are all home-grown, and have NO brands. The heifers will weigh 800-850 lbs. on sale day. They will be grouped in pens of 30 and sold in lots of 5. In this manner we will bring into the ring the first 5 heifers in that pen. They will represent the entire pen. The successful bidder will then have the right to take as many of the heifers in this pen, in 5 head increments, as he wishes, at the same price as the first 5 lots. Thus, he could buy 5, 10, 15, 20, 25, or 30 heifers at one bid.

THE POWER OF 50K

Bull selection is one of the most significant decisions ranchers make in terms of influencing the overall profitability of their operations; therefore, Red Angus strives to deliver reliable genetic predictions to stakeholders to ensure producers are making the most informed decisions possible in pursuit of production goals.

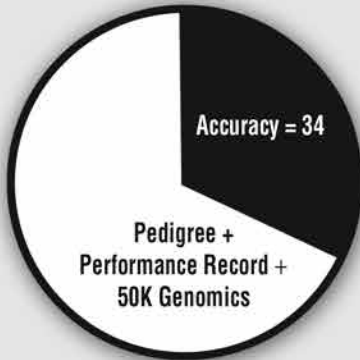

For years, ranchers utilizing Red Angus EPDs (Expected Progeny Differences) in their selection decisions have enjoyed the built-in reliability and risk reduction provided through the breed's early adoption of Total Herd Reporting (THR) data. To further advance EPD accuracy and reliability, Red Angus can now incorporate 50K genomic data.

For generations, animal breeders have relied on phenotypic measurements to determine what the animal possesses at the gene level. Now, with the inclusion of 50K genomic data, we can actually measure the impact of identified gene effects before the weight or measurement is ever recorded.

Accuracy

EPDs predict an animal's true genetic merit which can be passed on to offspring. As the amount of data included in an animal's EPD calculation increases, ranchers can have more confidence that the EPD correctly identifies the animal's true genetic merit. This is communicated to stakeholders in the form of "Accuracy," which is printed in conjunction with each EPD and ranges from 0 to 99.

Increased Data = Increased Accuracy = Increased Reliability

The power of 50K is the ability to collect additional genetic prediction data before an animal is selected to enter or exit the herd. Thus allowing producers to achieve their genetic goals at a faster rate as the genetic predictions used in selection decisions are of higher accuracy.

Red Angus' 50K test proves to be a game changer

- Ensure your yearling heifer bulls are "calving-ease specialists."
- Confirm your cowherd-building bulls have optimal genes for maternal traits.
- Make certain your carcass bulls are superior grid producers.

Information gained from 50K genomic data and Total Herd Reporting data provides Red Angus stakeholders with EPDs of unsurpassed reliability.

Ranch Tested. Rancher Trusted.

Red Angus

(940) 387-3502 | RedAngus.org

Terms & Conditions

1. **BIDDING**

The Auctioneer in charge will settle any disputes as to bids, and his decision on such matters shall be final.

2. **TERMS**

Terms of sale are cash unless satisfactory credit arrangements have been made.

3. **PURCHASER'S RISK**

Each animal will become the risk of the purchaser as soon as sold. Insurance will be available sale day.

4. **CERTIFICATE OF REGISTRY**

A transferred certificate of registry will be furnished to the Buyer for each animal after settlement has been made.

5. **HEALTH**

Health certificates will be furnished for shipment anywhere in the United States.

6. **BREEDER'S GUARANTEE**

All bulls are guaranteed to be breeders. All claims for adjustment or refund must be made in writing within six months of the sale date. In the event an animal is claimed to be a non-breeder, the Seller shall be entitled to six months' trial following the return of the animal in which to prove the animal is a breeder. If at the end of six months the Seller is unable to prove the animal is a breeder, restitution shall be made, in compliance with the terms set forth by the Red Angus Association of America. Any expenses incurred for transporting the animal shall be the buyer's responsibility.

7. **ANNOUNCEMENTS**

Any announcement from the seller on sale day will take precedence over printed material.

8. **LIABILITY**

Everyone attending this sale does so at their own risk. Owners, clerks or other helpers do not assume responsibility, legal or otherwise, for damages of any kind.

9. **CONTRACT**

The above terms and conditions shall constitute a contract between the buyer and seller of each animal sold.

These cattle do sell in accordance with the Sale Terms and Conditions set forth by the Red Angus Association of America.

We would like to thank all of our employees, friends and family for all of their help with the sale. Without them we would not have gotten everything done!
